## PRESTONE COMMAND® HEAVY DUTY NITRITE FREE ELC WITH COR-GUARD™ ANTIFREEZE/COOLANT

### NEW NITRITE FREE NON-2EH (OAT) FORMULATION

Prestone Command® Heavy Duty Nitrite Free ELC with Cor-Guard™ Concentrate and 50/50 Antifreeze/Coolant is intended for use and compatible with ANY nitrite free HD Organic Acid Technology (OAT) coolant in ANY diesel powered commercial vehicle engine or stationary engine with aluminum or other engine metals.. Its patented and advanced nitrite free OAT formulation is based upon a concentrated blend of premium long-lasting inhibitors designed to provide up to 1,000,000 miles / 20,000 hours\* of protection against temperature extremes, rust, cavitation corrosion, scale and premature water pump failure. When used as directed, Prestone Command® HD Nitrite Free ELC with Cor-Guard™ may be added to any OAT antifreeze/coolant of any HD commercial or stationary engine. Meets Cummins® and Detroit Diesel® Performance Requirements.

*\*Provide Extended Life protection which meets the vehicles manufacturer recommended change intervals for all DOT Truck Classes, including up to 1,000,000 miles for Class 8 vehicles, when properly flushed, filled and maintained using only Heavy Duty Nitrite free Coolant with Cor-Guard additive.*

### WHY USE COR-GUARD™?

Prestone Command® Heavy Duty Nitrite Free ELC with Cor-Guard™ Antifreeze uses an Organic Acid Technology (OAT) Coolant chemistry to provide superior state-of-the-art corrosion protection for all cooling system materials and components.

Most technologically advanced antifreeze available

Elevated performance over the lifetime of the engine

Starts working immediately

Helps avoid costly repairs

## PRESTONE COMMAND® HEAVY DUTY NITRITE FREE EXTENDED LIFE ANTIFREEZE/COOLANT

Prestone Command® Heavy Duty Nitrite Free Extended Life Concentrate and 50/50 Antifreeze/Coolant are Organic Acid Technology (OAT) for use and compatible with ANY Nitrite Free OAT Extended Life Heavy Duty antifreeze/coolant in ANY diesel-powered commercial vehicle engine or stationary engine. Its advanced, patented formulation is a concentrated blend of premium long-lasting inhibitors to provide up to 750,000 miles / 15,000 hours\* of protection against temperature extremes, rust, corrosion, scale, and premature water pump failure.

*\*To achieve 750K mile extended service life, follow these steps. Step 1: Perform a cooling system flush and then fill the cooling system with the proper mixture of Prestone Command Nitrite Free coolant and high quality water. Step 2: As coolant level drops through normal engine use, top up using only Prestone Command Nitrite Free prediluted coolant as necessary. Step 3: Test coolant every 6,000 hours, or 1 year – whichever is shorter – using a refractometer to make sure your coolant is adjusted to the correct coolant/water mixture and then use test strips to assess nitrite contamination (Nitrite contamination can occur when adding a NOAT to a OAT), and pH. Add NF OAT coolant extender at 600k and as necessary to maintain inhibitor level and pH. Use new coolant if replacing a cooling system part.*

## PRESTONE COMMAND® HEAVY DUTY EXTENDED LIFE ANTIFREEZE/COOLANT

Prestone Command® Heavy Duty Concentrate and 50/50 Antifreeze/Coolant are Nitrited Organic Acid Technology (NOAT) for use and compatibility with ANY NOAT Extended Life Heavy Duty antifreeze/coolant in ANY diesel-powered commercial vehicle engine or stationary engine. Its advanced, patented formulation is a concentrated blend of premium long-lasting inhibitors designed to provide up to 750,000 miles / 15,000 hours\* of protection against temperature extremes, rust, corrosion, scale and premature water pump failure.

*\*To achieve 750K mile extended service life, follow these steps. Step 1: Perform a cooling system flush and then fill the cooling system with the proper mixture of Prestone Command ELC coolant and high quality water. Step 2: As coolant level drops through normal engine use, top up using only Prestone Command NOAT ELC prediluted coolant as necessary. Step 3: Test coolant every 6,000 hours, or 1 year – whichever is shorter – using a refractometer to make sure your coolant is adjusted to the correct coolant/water mixture and then use test strips to assess nitrite level, and pH. Add NOAT coolant extender at 300k and 600k and as necessary to maintain inhibitor level and pH. Use new coolant if replacing a cooling system part.*

## PRESTONE COMMAND® HEAVY DUTY EXTENDED SERVICE INTERVAL ANTIFREEZE/COOLANT

Prestone Command® Heavy Duty Extended Service Interval Concentrate and 50/50 have advanced corrosion protection technology. The pre-charged extended service interval (ESI) technology product is compatible with ANY conventional heavy duty coolant and ALL filter technologies. Prestone Command Antifreeze/Coolant can be used with ANY antifreeze/coolant in ANY heavy duty engine used in normal to severe duty cycles and extreme temperature conditions. These products will provide protection against freezing, overheating, cavitation erosion, corrosion, and scale & foaming without the need of the initial fill and maintain extended service protection when added to any HD ESI antifreeze/coolant.

PRESTONE COMMAND® HEAVY DUTY COOLING SYSTEM 2IN1 FLUSH & DEGREASER

Prestone Command® Heavy Duty Cooling System 2in1 Flush & Degreaser is safe for all heavy duty cooling system components.

- ✓ **MAXIMIZE** coolant corrosion protection
- ✓ **MINIMIZE** downtime
- ✓ Help **PREVENT** engine failure
- ✓ **ELIMINATE** oil & fuel contamination

PRESTONE® BUG WASH™ SUMMER WINDSHIELD WASHER FLUID

Prestone® Bug Wash™ Summer Windshield Washer Fluid is an advanced windshield wash specifically formulated to meet the needs of summer driving that repels rain and road spray for clear window visibility. The Bug Stopper™ formula creates a barrier to stop bugs from sticking with patented cleaning power that penetrates toughest dirt and residue. Bug Wash is engineered to provide a powerful streak- and glare-free clean that is safe for rain-sensing windshield wipers.

PRESTONE® ALL SEASON 3-IN-1 YEAR-ROUND WINDSHIELD WASHER FLUID

Prestone® All Season 3-in-1 Year-Round Windshield Washer Fluid helps keep you protected all year long. The patented cleaning power helps quickly remove bugs, dirt and road grime. The All Season formula helps keep your windshield frost free to -27°F in the winter and clean in the summer. The rain beading technology repels water to make it easier to see in rain storms and safe for rain-sensing windshield wipers. AS658P is a low-VOC version of All Season containing less than 23.5% VOCs, with a freeze point of 0°F.

## PRESTONE COMMAND® HD DIESEL ENGINE COOLANT

### PRESTONE COMMAND® HD EXTENDED SERVICE INTERVAL (ESI) ANTIFREEZE/COOLANT

#### FORMULATED FOR HEAVY DUTY VEHICLES

- Precharged with Supplemental Coolant Additives (SCAs)
- Premium quality fully formulated coolant containing supplemental coolant additives to provide complete engine and cooling system protection
- Requires monitoring and maintaining SCA additive levels
- Highly stabilized, low-silicate formula helps reduce deposits
- Formulated to reduce hard water scale buildup
- Contains nitrite to prevent pitting corrosion of vibrating cylinder liners
