# HISTORY

For over 20 years we've been providing the car, truck and fleet industry with the highest quality after-market care products. We do this day in and day out with an unrivaled passion for excellence. We love our cars as much as you do. We don't see taking care of our cars as work. It's something that we enjoy doing.

All of our products are 100% guaranteed and we still think that means something. We strive for perfection every day and know our products are up to the challenge. Since 1997 we've developed, manufactured and bottled our liquid car care and fuel additive products in the U.S. This gives us total control from start to finish.

Our aerosol shop supplies, lubricants and greases have been designed to make "getting the job done" quicker and easier, saving you time and money. You don't skimp on quality and neither do we. Each product has been refined and tested until they meet our exacting standards.

Our aim is to deliver the best products at the best prices so that you can focus on what you love – taking care of your car. We hope you'll give our products a try.

### CHAIN GANG™ Chain & Cable Lubricant

This water-resistant formula foams on to ensure maximum penetration, lubrication and protection of chains and cables. CHAIN GANG™ reduces friction and wear, eliminates corrosion and withstands extreme temperatures.

#5008 NET WT. 12.75 oz.

### WHITE KNIGHT™ White Lithium Grease

WHITE KNIGHT™ is a heavy-duty white lithium grease that lubricates and protects against corrosion, reduces friction and wear on all moving parts and is an excellent all-purpose lubricant.

#5002 NET WT. 9.64 oz.

### MY-T GREASE™ Heavy Duty Synthetic Penetrating Grease

Sprays on as a clear liquid to easily creep into tight areas, then sets up in minutes as a heavy duty grease. Resists vibration, extreme pressure, throw-off, squeeze-out and repeated exposure to freshwater and saltwater.

#5005 NET WT. 9.7 oz.

### A2Z™ All Purpose Lubricant

An all purpose lubricant that penetrates rust and corrosion fast for easy removal of rusted parts. Cleans grease and grime as it lubricates. Stops squeaks on hinges and latches. Lubricates moving parts and mechanisms and helps prevent rust. Drives moisture from tools, engines and ignition systems.

#5010 NET WT. 11.75 oz.

### BIG RED™ Heavy Duty Grease

This Lithium-complex base grease is thick and heavy. BIG RED™ stands up to extreme pressures and a wide range of temperatures up to 350°F. BIG RED™ is 100% waterproof and resists acid, alkalies and salt.

#5004 NET WT. 10.5 oz.

### LASER™ Penetrating Oil

LASER'S pin point spray sends a blend of penetrating oils and lubricants that attack corrosion and loosen rusted parts and lubricate mechanisms. LASER™ is also an effective aid for moisture displacement on motors and equipment. LASER™ leaves behind a protective film that prevents future rust and corrosion.

#5011 NET WT. 11.5 oz.

### VERSA LUBE™ 100% Silicone Base Grease

With the touch of a finger you can lubricate and seal. Outperforms and outlasts traditional petroleum, synthetic and lithium greases. Resistant to chemicals and to temperatures over 750°F. Excellent as a brake pad and caliper pin lubricant.

#6007 NET WT. 3 oz.

### EXCEL™ Heavy-Duty Anti-Seize

Deluxe formula resists temperatures up to 1800F. Contains micro-size copper particles and graphite in a no-melt base. Protects against galling, seizing, corrosion and galvanic action when used during assembly.

#3010 NET WT. 14 oz.

### SLIPPERY STUFF™ Silicone Spray Lubricant

SLIPPERY STUFF™ is a premium non-staining lubricant that eliminates squeaking and binding caused by friction. Its film is clean and highly resistant to water. Lubricates metal, rubber, nylon and wood.

#5001 NET WT. 12.25 oz.

### EXCEL™ Heavy Duty Anti-Seize

Deluxe formula resists temperatures up to 1800F. Contains micro-size copper particles and graphite in a no-melt base. Protects against galling, seizing, corrosion and galvanic action when used during assembly.
